Searching by Card ID [New]

[Options](#)

22-10-2009 03:30 PM

When searching by card ID in the card file in Accounting is there anyway to search for just a match to what you are typing in eg if you type in 2 you get every card with a 2 in the ID is there some way to just get card 2?

Hi Christine

That feature is coming with the new release early next year I believe

Regards
Vanessa
